

Congratulations on your first Voter Report Card!

WHO YOU VOTE FOR is your secret. But *whether* you vote is public record. So we know that most people are reliable voters.

The Voter Report Card on the back shows your voting attendance record, along with the average in your neighborhood. It's designed to help you keep track of how you're doing.

We're a nonprofit organization dedicated

to giving citizens a voice in their government. We believe that our democracy works best when *everyone* is a voter—including you.

THAT'S WHY we've selected you for this important research project. In the future, we hope to send you an updated Voter Report Card before each election.

Plan ahead. If you're not sure where to

vote, visit Vote411.org, an independent website not connected with this project.

AS A VOTER this year, you'll be joined by millions of fellow citizens. Many contests, though, will be so close that just a *tiny number* of votes determines the outcome.

One of those crucial votes could be yours—but only if you're a voter.
